

E-Reg Implementation Document

This is the final step in the set up for the municipality to “go live” with E-Reg. This should be done in coordination with the Town Clerk/Tax Collector.

Liberty

Town Code: 998

Link to E-Reg:

Supply link for municipal index page –

<https://www.eb2gov.com/scripts/eb2gov.dll/ereg/main?towncode=998>

Moose Picture Icon:

Should be attached or can be downloaded from www.ereg.us/signup

Opt-Out option:

Supply link for citizens to opt-out. This would allow citizens to remove their information from the E-Reg Server if the Town chooses to offer this.

<http://www.eb2gov.com/scripts/eb2govadmin.dll/admin/GetERegOptOut?TownCode=998>

Link to E-Service Poll:

Put your town name in the place of Liberty to poll your customers for other e-Services to determine the public interest and to better serve their needs.
